ABOUT ME

Whether in business or in life, I start with the end in mind and then build the steps to get there. As an EOS Implementer we start by asking what do you want from your business and then we work together to put the steps in place to help you achieve that goal.

Soon after starting my career in Finance and Accounting, I soon discovered that what I love doing is helping entrepreneurs organize, scale and grow their businesses. I joined that experience with an MBA in New Venture Management (Entrepreneurship). I then established a fractional CFO firm specializing on small and medium sized businesses. It was here that I discovered the power of EOS to help business leaders establish vision, gain traction and help leadership teams get healthy.

Chris has led and facilitated the growth that EOS provides. The range includes a 1.9M company growing to 10M over 4 years and another growing from 109M to 240M over 5 years. He will help you get what you want from your business.

ECONOMIC DEVELOPMENT**

WENDY BOWERS | PRESIDENT

Meet BFDC President Wendy Bowers —

I have lived in Belle Fourche since 1987 when my dad was stationed here with the Air Force. After graduating from Belle Fourche High School and earning degrees at BHSU, I met and married my husband of 25 years, Lyle. We moved to Nebraska for almost a year but came back because Belle Fourche is home. More than once, we talked about moving somewhere with a milder climate, but when our son Nathan (now 16) was born, we decided that there wasn't anywhere else we would be happier raising him.

I was elected to the BFDC Board of Directors in 2018 and have been the Board President since 2022. My involvement began as part of the inaugural class of Leadership Belle Fourche, where I learned so much about how development works and the ripple effect it has on our economy and our community. My greatest motivation is the desire to help ensure that Belle Fourche continues to be a place that my son and his peers will not only want to come back to raise their families, but will have good opportunities for employment and housing when they do.

I also serve as the BFDC liaison to the Belle Fourche Chamber of Commerce, and Treasurer and one of the Team Managers for the Bronc Bird Busters.
