The BFACC has decided to do a "Drive-Thru" Spooktacular this year rather than our indoor event. They will be packing up goodies bags to hand out in front of the building on Halloween from 5:00-6:30 pm. Trick-or-treaters can walk or drive-thru designated areas and pick up a bag.

BFACC is seeking donations for these bags. The event averages 500-600 kids and they expect there could be more this year. They plan to prep 750 goodie bags. Cash is the preferred donation (suggested \$25), candy or favors (small toys, stickers, pencils, etc.) are also needed. BFACC will have a list of donors inside the bag and businesses/organizations will also be promoted on the sponsor wall inside the BFACC and on the website.

Requesting donations by October 21st. Questions can be answered by BFACC Program Coordinator Tess Anderson-Voyles - 605-892-2467.

Thank you for your consideration and support!

RoundUp Cafe offers new food options in familiar Belle Fourche location

By Kimberly Talcott, Black Hills Pioneer

BELLE FOURCHE – Mindy and Dave Homola brought their café experience home to Belle Fourche this summer, opening the RoundUp Cafe Aug. 11.

The cafe is located on the corner of National and 5th streets in Belle Fourche.

“We chose the RoundUp Cafe concept because the Black Hills Roundup is part of Belle Fourche history. We also wanted to incorporate the western, countryfied feel,” said Mindy, co-owner and cook.

RoundUp Cafe serves breakfast and lunch Tuesday through Saturday and is open from 7 a.m. to 3 p.m. Mindy said the restaurant schedule gives her time to prepare the food and still spend time with family. Next summer, the Homolas may extend the cafe hours into the evening.

The Homolas have lived in Belle Fourche for 14 years. Dave owns Solid Rock Construction and the couple are also partners in the Aladdin Café in Aladdin, Wyo.

“We wanted a place of our own,” said Mindy. “We are a family-run business and are happy to be part of Belle Fourche and serve our community.”

The RoundUp Cafe business space was formerly another dining establishment, the popular Patty’s Place. Mindy said living up to Patty’s Place “is intimidating, in a good way.”

“The location was already an established eating area. We’ve even had people from out of town stop in, not knowing Patty’s closed,” she said, noting the business will soon have new signage.

Opening just in time for the 80th annual Sturgis Motorcycle Rally, Mindy said business has exceeded her expectations. Each day the cafe is open they offer a different daily special and a homemade soup. The cheesy kielbasa soup has been a favorite, said Mindy, and the cafe’s burgers and turkey bacon club are especially popular. Carmel rolls and homemade pies are also offered. Both dine-in and take-out options are available.

“Come on in and give us a try. Order a cup of coffee and use the Wi-Fi,” said Mindy.

For the Homolas, running a cafe is about the total experience: Making the food and visiting with the customers. The cafe currently retains four employees.

“One of our employees said it perfectly. When we hear all the chatter out in the dining room, we know we’re helping to make our customers happy.”
