Student Built Home on Ridgeview Dr. is Progressing

Pictured left to right: Belle Fourche High School Principal, Matthew Raba; Belle Fourche Economic Development Board President, Renae Schaeffer and Executive Director, Hollie Stalder.

Each year, the BFHS students build a wonderful home in the Career & Technical Education Construction class.

In the working relationship with Belle Fourche Economic Development and the West River Foundation, we are able to prepare lots in Belle Fourche so those homes can stay in the community and be purchased by a Belle Fourche family.

In the spirit of education, work force development and housing for our community, Belle Fourche Economic Development's board of directors voted to contribute \$1500 to the BFHS Dual Credit Scholarship Fund. The total equating to 10, \$150 dual credit scholarships for Belle Fourche students.

The funds were designated this year out of the savings from not having to move the home. The students are building on site for the 2019/2020 home.

A big thank you to our superintendent, school board and administration for developing and supporting this important educational element for our students. We are so proud of the students, their work and what it does for our community.
